Summary

Moyosoore is a dedicated software developer skilled in creating scalable, high-quality cross-platform mobile applications. He excels at solving complex problems, designing innovative systems, and embracing new technologies. Passionate about user-focused solutions, he thrives in collaborative team settings. His expertise lies in optimizing performance and delivering impactful, reliable applications.

Skills

Technical Skills

- Programming Languages: Java, Dart, Python, JavaScript.
- Frameworks and Libraries: Flutter, NLTK, Nodejs.
- Database: Firebase, Supabase.
- State Management: Riverpod, Provider, RxDart.
- CI/CD: Codemagic.
- Tools: Android Studio, Xcode, VSCode, Git, GitHub, Figma, Jupyter Notebook.
- Concepts: Clean Architecture, Object Oriented Programming (OOP), Agile Development.

Soft Skills

Effective Communication, Problem Solving, Teamwork, Time Management, Critical Thinking, Leadership & Mentoring.

Experience

Lead Mobile Engineer (Contract)

Edurex Technologies, Nigeria, January 2024 – August 2024

- Mentored 10 students in Mobile Development to enhance their understanding and provided guidance and mentorship resulting in them building their first mobile application.
- Led a team of 3 junior developers in developing scalable and maintainable solutions for consumers.
- Collaborated with UI/UX designers to create intuitive and visually appealing interfaces, enhancing the overall user experience and receiving positive feedback from clients.

Mobile Application Developer

Dynamic Initiative Consult, Nigeria, August 2022 – July 2023

- Integrated RESTful APIs and third-party services to extend app functionalities, improving data synchronization and real-time features.
- Facilitated Agile Processes by participating in daily stand-ups, sprint planning, and retrospectives, contributing to a 20% increase in team productivity.
- Collaborated with UI/UX designers to create intuitive and visually appealing interfaces, enhancing the overall user experience and receiving positive feedback from stakeholders.

Community Instructor

Bowen Tech Hub, Nigeria, January 2021 – May 2023

- Delivered dynamic lessons in both the UI/UX and Software Development Communities.
- Provided Feedback and guidance to support students' growth and progress.
- Cultivated an interactive and collaborative classroom environment that encourages active participation.

Education

Master of Science (MSc) in Artificial Intelligence

University of Salford, Manchester.

Bachelor of Science (BSc) in Computer Science

Bowen University, Iwo, Osun State.

Certificates

Certificate of Completion (New Horizon)

(Python Programming, Java Programming, Web Development (HTML, CSS, JavaScript))
